

Ducted Air Conditioning

pure air conditioning

polyaire

midea.polyaire.com.au

Create pure comfort at home with class leading air conditioning technology.

- 11 Air Conditioning Manufacturing Centres
- Over 3,000 Engineers & Quality Inspectors
- 35 Global Quality Certifications
- 40+ International Design Awards

Brought to You by Australia's largest Air Conditioning distributor.

With over 20 branches across Australia, Polyaire is committed to maintaining strong customer relationships and working with air conditioning professionals to help deliver the easiest, most comfortable, reliable, and cost effective air conditioning solution to your home or office.

welcome home

Residential Ducted Air Conditioning

Midea offers you whole home comfort with ducted air conditioning solutions that have been engineered around Australian conditions, for true comfort, efficiency, ease and reliability.

* All aspects of warranty including parts, labour and other support is wholly provided by Midea Australia. Conditions apply.

Comfort Technology

For you and your home

Setup your comfort for the season with Midea's easy and intuitive controller.

INBUILT TEMPERATURE SENSOR

Monitors home temperature from your chosen set point to optimise the heating and cooling when your home is comfortable to avoid wasting energy.

INDOOR UNIT

7kW

17kW
SUITS MOST
HOMES

OUTDOOR UNIT

Class Leading Features

YEAR ROUND COOLING & HEATING

Reverse Cycle System for energy efficient heating and cooling capabilities.

FAST

The DC Inverter delivers conditioned air quickly, providing a fast cool down or warm up in your home.

ECONOMICAL

Midea units have been designed for energy efficiency, and are compliant with the Australian Government's Minimum Energy Performance Standards (MEPS).

NEAT & TIDY

Easy to install and service by a professional, the Indoor unit and ductwork is concealed in the roof space, so all you'll see is the outlets and return air grille & filter.

COOLS ON UP TO 50°C DAYS

No matter what the Australian summer throws at you, Midea Ducted Air Conditioners can deliver a comfort solution for your home.

QUIET

Peace and Comfort. You can sleep soundly with an air conditioner that makes minimal noise thanks to efficient, engineered fans, and high performance, low energy DC inverter.

BUILT TOUGH

Enjoy reliable comfort with outdoor units built to last and tested under harsh weather conditions.

DC QUATTRO INVERTER

DC Inverter Technology for long service life and economical energy use.

GOLDEN FIN

Special anti-corrosion coating protects your Air Conditioner from environmental effects.

zoning options

Save money on the power bill. Without compromising on comfort.

Zoning your new ducted air conditioning system will mean that everyone can enjoy their own temperature and airflow, and you can save on energy and running costs by turning off the airflow for rooms not in use.

Now everyone can enjoy their favourite comfort zone

The option to cool or heat your entire home, or zone specific areas to your pre-selected levels of comfort.

OPTIONAL UPGRADE

ZoneTouch

One Touch to Comfort

-  16 Zones
-  Turbo Zone
-  Spill Zone for System Safety

20°C

23°C

OPTIONAL UPGRADE

smart upgrade

airtouch²⁺

You're in control.

Control temperature & airflow from a smart touchscreen, phone app or your choice of smart assistant.

Adjust airflow in 5% increments

WiFi & App Control

Integrate with Smart Assistants

airtouch⁴

Adapt your home to your idea of comfort with the latest in Smart Air Conditioning

* Individual Zone Temperature Control requires optional ITC sensors

Individual Zone Temperature Control (Optional)*

WiFi & App Control

Integrate with Smart Assistants

Voice control with open smart assistants

A World Leading Technology Group

Since establishment in 1968, Midea has grown into a global leader in consumer appliances, air conditioners, robotics and industrial automation systems, and smart logistics supply chain. Midea exports to more than 200 countries.

*Midea builds solutions for
Australians who treasure
quality time at home.*
